CORRIGENDUM
to the Guidelines for grant applicants and its annexes

Call for Proposals
 EuropeAid/160048/C/ACT/MULTI

The Guidelines are corrected or modified as follows:

Section 1.2.3 Priority issues (4)

c) Communication and outreach strategy

Instead of

Applicants are therefore encouraged to involve also communication experts. They could be involved as a co-applicant, an associate or as a contractor. In this context, we would like to draw your attention to the special requirements included for the applicant to demonstrate:

- 1) Social media capabilities to successfully implement innovative communication activities (Annex XI) and capability to produce a powerful video,
- 2) Capability to successfully organise “street actions”⁹

[...]

These communication capabilities should be demonstrated by the lead-applicant for itself and the communication and outreach strategy is to be provided by the lead-applicant for the consortium. These points will be assessed under point 1.2 and 3.2. of the Full Application evaluation grid.

Read

Applicants are therefore encouraged to involve also communication experts. They could be involved as a co-applicant, an associate or as a contractor. In this context, we would like to draw your attention to the special requirements included for the **applicants (lead applicant and co-applicants)** to demonstrate:

- 1) Social media capabilities to successfully implement innovative communication activities and capability to produce a powerful video (Annex XI);
- 2) Capability to successfully organise “street actions”⁹ (Annex XII)

[...]

These communication capabilities and the communication and outreach strategy should be demonstrated by the partnership as a whole. These points will be assessed under point 1.2 and 3.2. of the Full Application evaluation grid.

Section 1.2.4 Eligible actions

Types of Action

Instead of

These communication capabilities should be demonstrated by the lead-applicant for itself and the communication and outreach strategy is to be provided by the lead-applicant for the consortium.

Read

These communication capabilities and the communication and outreach strategy should be demonstrated by the partnership as a whole. These points will be assessed under point 1.2 and 3.2. of the Full Application evaluation grid.

Section 2.2.5 Full applications

Instead of

4. The full application has to document the capabilities of the lead=applicant to successfully implement innovative communication activities. Hence, the lead applicant has to submit:

- a) Documented social media and video capabilities: The lead-applicant needs to fill in and submit a completed Annex XI regarding the social media capabilities of the lead-applicant as part of the full application (See annex XI part 1 for more details). As part of the Full Application evaluation, this information will be used to assess the capability of the entity to deploy innovative communication activities.
- b) Documented capability to produce powerful video: The lead-applicant has to document as part of its full application (in Annex XI section 2 - that the lead-applicant has produced and published on the internet a powerful video by providing the link (e.g. web-address) to one minimum 20 second video published on the internet (e.g. YouTube, twitter or other).

[...]

- c) Documented “success stories” of two street actions: The lead-applicant has to document in its full application the realization of two successful street actions (=action in a public place), by the lead-applicant, which took place in the last 24 months, with the purpose to mobilise citizens.

Read

4. The full application has to document **the capabilities of the partnership** to successfully implement innovative communication activities. Hence, the lead applicant has to submit **as part of the Full Application**:

- a) Documented social media capabilities: To be demonstrated by the lead applicant and/or co-applicants in Annex XI (Part 1). This information will be used to assess the capability of the partnership to deploy innovative communication activities.
- b) Documented capability to produce powerful video: To be demonstrated by the lead applicant and/or co-applicants in Annex XI (Part 2) by providing the link (e.g. web-address) to a video of minimum 20 seconds produced and published on the internet (e.g. YouTube, Twitter, or other).
- c) Documented “success stories” of two street actions which took place in a public space in the last 24 months, with the purpose to mobilise citizens and realized by the lead applicant and/or co-applicants (in Annex XII).

Annex XI

Instead of

The existing social media capabilities and documented capability to produce a powerful video is to be demonstrated by the lead-applicant on behalf of the consortium.

[...]

(To be signed by the lead applicant)

Read

The existing social media capabilities and documented capability to produce a powerful video is to be demonstrated by **the applicants (lead applicant and/or co-applicants)**.

[...]

(To be signed by the lead applicant or co-applicant)

Annex XII

Instead of

The applicant has to document in their full application the realization of two successful street actions (=action in a public place), which took place in the last 24 months, with the purpose to mobilise citizens.

[...]

The documented 'success stories' of two street actions is to be demonstrated by the lead-applicant.

Read

The **lead applicant** has to document in the full application the realization of two successful street actions (=action in a public place), which took place in the last 24 months, with the purpose to mobilise citizens.

[...]

The documented 'success stories' of two street actions is to be demonstrated by **the applicants (lead applicant and/or co-applicants)**.

Annex XIII

Instead of

This communication and outreach strategy is to be demonstrated by the lead-applicant on behalf of the consortium.

Read

This communication and outreach strategy of the partnership is to be **provided by the lead applicant**.

All other terms and conditions of the Guidelines remain unchanged. The above alterations and /or corrections to the Guidelines are integral part of the Guidelines.

⁹ “street action” = action in a public place, with the purpose to mobilise citizens in the context of the objectives of the present Call for Proposals.
